FRIG COLLECTION

We know where to go.

Fifty metres, a 12-metre water slide, and a Technogym on board.

All About U 2 is the flagship of the Frig fleet — a 50-metre sailing yacht with twin 803 HP Caterpillar engines, a 10.40-metre beam, and the kind of amenity list that reads like a resort brochure. A 12-metre inflatable water slide launches from the upper deck. A Technogym fitness suite sits aboard. A massage room. A Sacs Strider 13 tender. Four Seabobs. Two Yamaha jet skis at 260 HP each. This is not a boat that does things by half.

Six cabins for twelve guests: one master, one VIP, and four doubles — all with en-suite bathrooms, air conditioning, and the kind of finish that comes from a purpose-built charter yacht of this calibre. The 10.40-metre beam gives every cabin a footprint that would be generous on a vessel half again this size.

A crew of ten — the joint-largest in the fleet — runs everything with the kind of precision that lets twelve guests feel like they're the only people on the water. Three sets of water skis, two wakeboards, SUPs, kayaks, a ringo, a floating parking platform, and snorkelling gear complete the picture.

Fifty metres of sailing yacht — the largest in the fleet, with a 12-metre water slide and a Technogym aboard.

The saloon — wide beam, warm finish, and the kind of space that makes twelve guests feel like six.

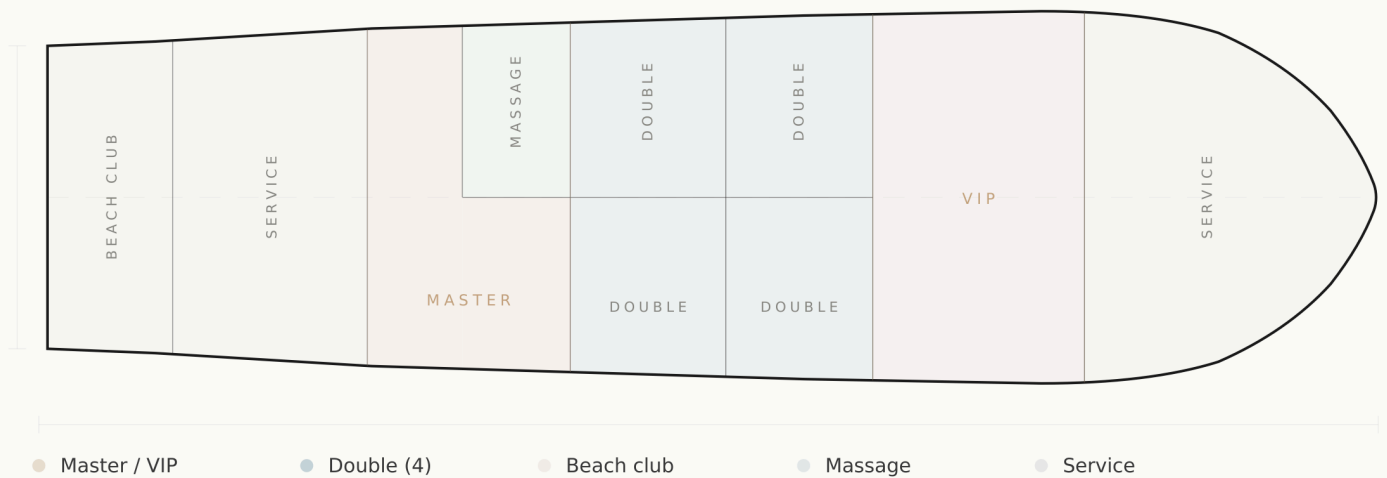

The master cabin — full beam at 10.40 metres, en-suite, and the most spacious private space afloat in the fleet.

LAYOUT

How the space works.

All About U 2's 10.40-metre beam — the widest in the fleet — gives her six cabins with the proportions of a superyacht. The master occupies the full beam aft, the VIP suite sits forward, and four doubles line the midship corridor. Each cabin has en-suite bathroom and air conditioning. Above deck: multiple living areas, a Technogym fitness suite, a massage room, and a toy garage that opens to the water. Ten crew in separate quarters forward.

MASTER CABIN

Full-beam master at 10.40 metres — the widest cabin in the fleet. King bed, en-suite bathroom with separate shower and tub, walk-in closet, and private seating area.

1 VIP CABIN

Forward VIP suite with king bed, en-suite bathroom, and the same standard of space and finish as the master. A cabin that would be the best on most other boats.

4 DOUBLE CABINS

Midship doubles with double beds, en-suite bathrooms, individual climate control, and the generous footprint that the beam allows. Each fully independent.
